POST CONFERENCE WORKSHOP

8th International Conference on Research Innovations (iCRI'23)
Organized by
Society for Research Development (www.socrd.org)

Workshop Date: **24 June 2023**
Timings: **02:00 PM Onwards**

Venue: Online / Astoria Plaza, Pasig, Metro Manila, Philippines

About the Conference/Workshop: The iCRI-23 conference will bring together Experts from academia and industry to exchange knowledge and ideas on a common platform. This conference will provide the participants with opportunities to discuss and explore areas related to the Theory, Development, Applications, Experiences, and Evaluation with fellow students, researchers, and practitioners.

The **Minecraft Education Edition (MEE)** workshop will be conducted on second day of the conference in post lunch session. MEE has gained increasing popularity in recent years to promote digital teaching and learning that transformed education worldwide. MEE is used in some classrooms around the world by educators worldwide, some of which also include this game in the structured curricula of teaching and learning activities. At the end of the workshop, the participants will be able to:

- gain basic and better understanding on the 'What, Why and How' of Minecraft Education Edition in STEM education
- familiarise themselves with the basic features of MEE;
- develop confidence using MEE technological tool for the development of projects.
